Kalamunda Dressage Association Inc.

Membership Information

FEES

An annual membership fee of \$130.00 per rider is payable upon application. Members who pay their fees on or before the first Saturday rally in February are entitled to a \$10 discount, bringing the balance due to \$120.00.

MEMBERSHIP

Membership entitles riders to attend rallies held twice a month – on the second Friday and the fourth Saturday – at Walliston Pony Club. Members are also entitled to attend clinics and social functions held by the club and compete at reduced rates at open Dressage Days hosted by KDA.

GROUP DESCRIPTIONS

While trying not to offend anyone, we need to put riders of similar abilities in lessons together. It would be no good if you were in with a bunch of people trying to work on their working canter if you were afraid to trot in a group situation ! Likewise if you were a rider out competing, a group of beginners would drive you mad Please try and nominate the group that your horse is currently working at. Feel free to move groups (just let us know) if you feel that you have chosen the wrong one. It will take a few rallies for everyone to get comfortable.

RED

The highest level dressage group. Designed for those members competing at outside competitions at Novice level or above. This group is training lateral work and medium paces.

PURPLE

This group is designed for those riders competing at outside competitions at Preliminary level and starting to train at novice level. Preliminary tests require the beginnings of lengthened strides only.

ORANGE

These riders are beginning to ride dressage tests. They are confident to walk, trot and canter in the open in a group situation.

BABY PINK

For young horses just starting out. May be a groundwork lesson if necessary.

BROWN

A groundwork class for horses of all levels. Especially good to do this before a ridden class if you have a new combination. You will need a rope halter and long Pirelli lead for these.

WEBSITE

Rally information is published every month on the club website www.kda.org.au. Members are advised by e-mail once the information has been posted.
